

Fall 2006

Thank you for volunteering to be a Land Trust Steward!

Careful stewardship of our properties is the core of our mission. Stewards are our ambassadors to our neighbors, our early warning system and often, our main property caretakers. We greatly appreciate your volunteer efforts to protect our important local open spaces!

It is time again for our semi-annual checkup at each Land Trust property. Please take a moment to update your contact information with us and to review our new stewardship reporting form. Please complete your monitoring as soon as possible and return the form no later than October 31, 2006 to help us plan our maintenance priorities. The completed form should be returned in the enclosed envelope to our Stewardship Chair: (Name – address). If you have any questions, please feel free to call (Name – phone).
